Ingredient

Powdered Gambir
Powdered Cinnamon Bark
Powdered Licorice

Manjintan is one of the most famous medicines and preferentially chosen as a folk medicine and a souvenir of the pilgrim in the Edo era (1603 - 1868) because of its actual effect and easiness for carrying. Samurai used to hang *Manjintan* in a pillbox on a waist while it became a representative of the pocket medicine. *Manjintan* was considered to be a cure-all to have always ready in the journey of the trip in the Edo era. *Manjintan* has been popular, especially among people who prefer natural remedy.
